STATEMENT Re: PETITION FOR REVIVAL OF AN APPLICATION FOR PATENT

ABANDONED UNINTENTIONALLY UNDER 37 CFR 1.137(b)

Applicant moved between the time the amendment to the patent application was filed in November 2002 and when further responses from the Patent and Trademark Office were docketed by the attorney. Applicant was awaiting report from attorney of the response from the PTO, but because of applicant's move, the response was never received. Applicant contacted attorney in October 2004 to ascertain the status of the patent application, and then the attorney informed the applicant that the application had been abandoned due to failure to file a timely response. Applicant requested that the patent application be revived, and attorney filed the petition expeditiously. Applicant appreciates gracious consideration of this petition for revival.
